"Hajni and Substance Books – Online Book Publicity are fabulous. She is up-to-date on all the newest methods of promoting the books represented by Substance and she pushes her authors to be involved in their campaigns. Substance represents To Live and Die for

Dance and my newest release, Two Wolves Dancing. I hope to continue with her for many years to come."

FRANCINE PAINO

"Hajni is the best! She does what she says she will and when she promised to do it. In fact, she goes above and beyond what she promises to do. She has promoted two of my contemporary international novels – No Greater Love and Lattices of Love. As I work on another international romance,

I am already planning to ask her to help me with promotion."

Amazon Bestselling Author
ERIS FIELD

"Such a great value for independent writers! Hajni knows what she is doing and cares about her clients. Too many out there will take your money and give you nothing in return. This is the place to be."
